Please note - things do change - we frequently add new suppliers and we reserve the right to close any of our trade accounts at any time.

Please check with a member of staff at Mister Smith Interiors before showing your client products from any of the suppliers.

Note there are often minimum order requirements for furniture and some suppliers have very long lead times. It is your responsibility to manage your clients expectations. Unless otherwise agreed, 100% payment must be made up front to Mister Smith Interiors before any orders are placed. You will incur any delivery or handling charges and Mister Smith Interiors will not accept any refunds - so choose and order carefully.

BRIGHTON

Near to the famous Royal Pavilion, our unique Brighton shop is a treasure trove for Fabrics, Wallpapers and Flooring and has been supplying trade and residents for 14 years. Set on a pedestrianised street, there is a loading bay next to the shop so you can pull up in your car and collect your goods.
